### Paul Fischer documentary

The documentary film-maker Henry Astor will be premièring his documentary about the guitar-maker Paul Fischer, *Aubade* on Wednesday 12 February 2014 at the Chipping Norton Theatre. Henry Astor's film not only documents Paul Fischer making a guitar from start to finish but also incorporates two other 'creative processes': that of the performer, Xuefei Yang, for whom the guitar was made and the composer, William Lovelady, who wrote a piece for Xuefei Yang to play on the new guitar.

There will be a small pre-show exhibition before the film at 7.30pm. After interval, Xuefei Yang will play a solo recital on the Paul Fischer guitar including *Aubade* the piece, which William Lovelady has written for her new guitar.

### Guitar in Winterthur

The *In Guitar Winterthur* 2014 festival, from 27 March–6 April 2014, is in homage to Leo Brouwer this year, to celebrate his 75th birthday.
